

The Torch

*W. W. Samuell High School
Dallas, Texas
Volume 19
1975*

A Time . . .

. . to Begin

Beginning anew . . . we came to originate. Each moment started to unravel with the freshness of our thoughts and dreams. Without the lingering ideas of the past, we became new productions each striving for different identities but coming together as inventions of our own time. 1975 was truly our beginning.

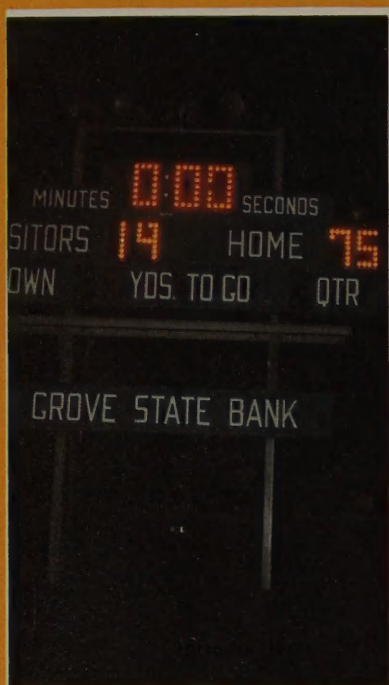

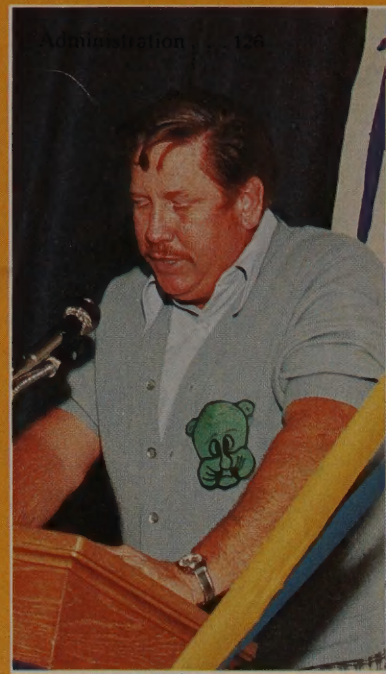

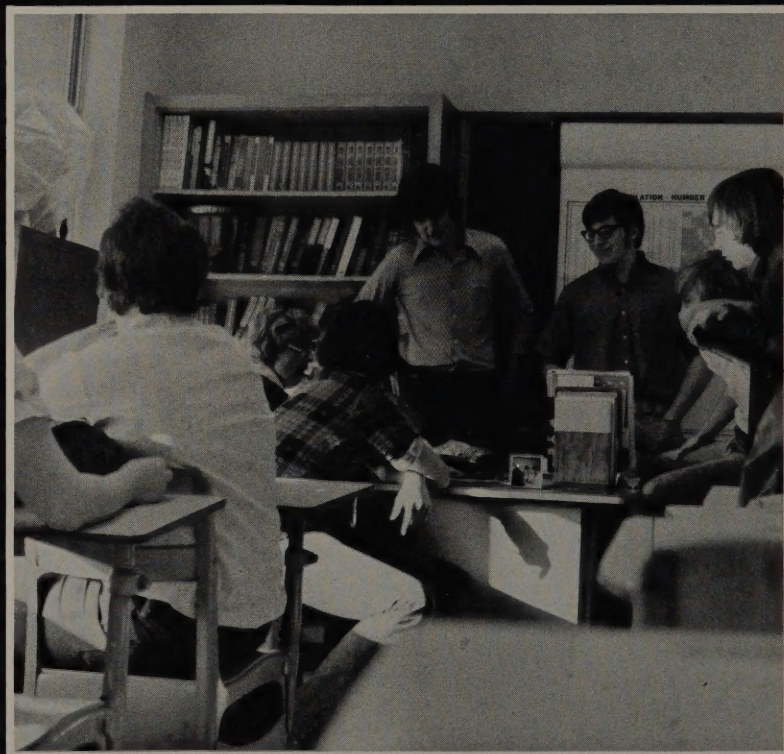

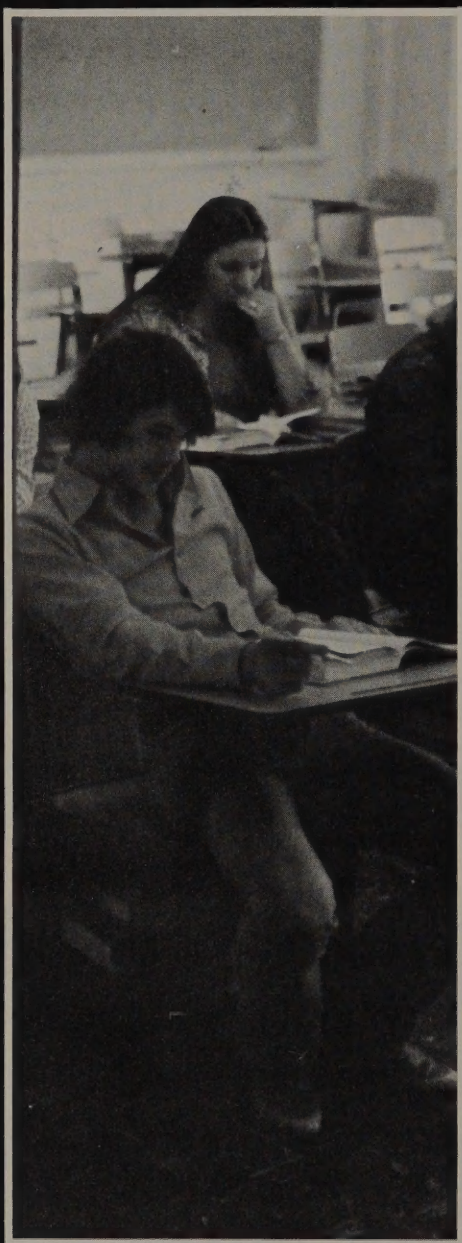

Table of Contents

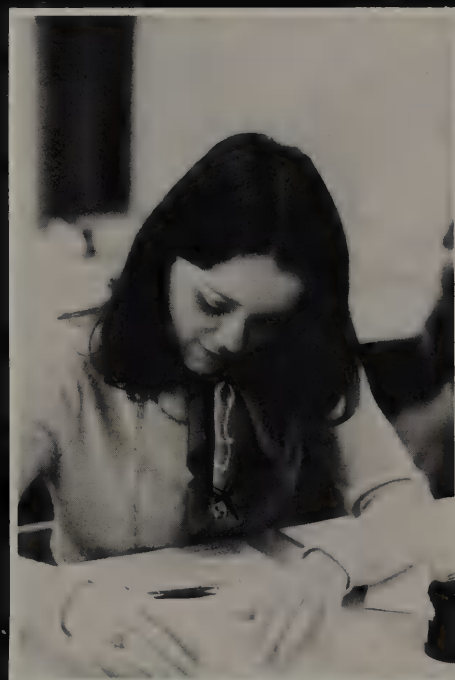

A Time . . .

. . . for Learning

One thing that did not change in the 1975 school year was our deliverance from the textbook. After we laid aside our pom poms, megaphones, footballs, and cue cards, it then became time for the "battle of the books saga." Our only defense was to give in. It was our time to explore, create, and set achievements far from any human reach.

A Time . . .

. . . for Friends

Friendship is borrowing the homework you forgot to finish due to the highly educational "Leave it to Beaver" reruns. It is running out of lunch money after contributing to the D.E. vending company and having to share a two week old pimento cheese sandwich. Friendship is being yourself with someone who likes you no matter what. That was our time . . . to be friends.

A Time . . .

. . . to Be Natural

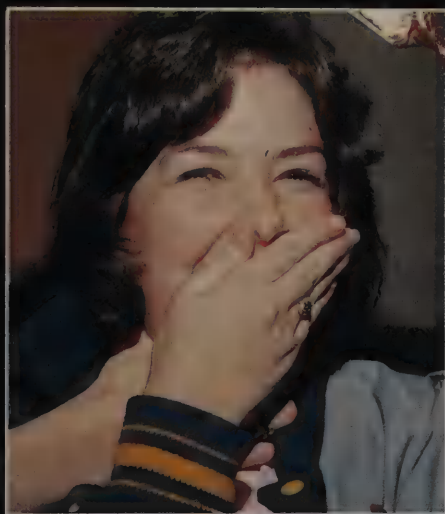

There were times when we didn't know where we were, times when we didn't know where we were going, but in all of our brightest days we strived to become ourselves naturally us.

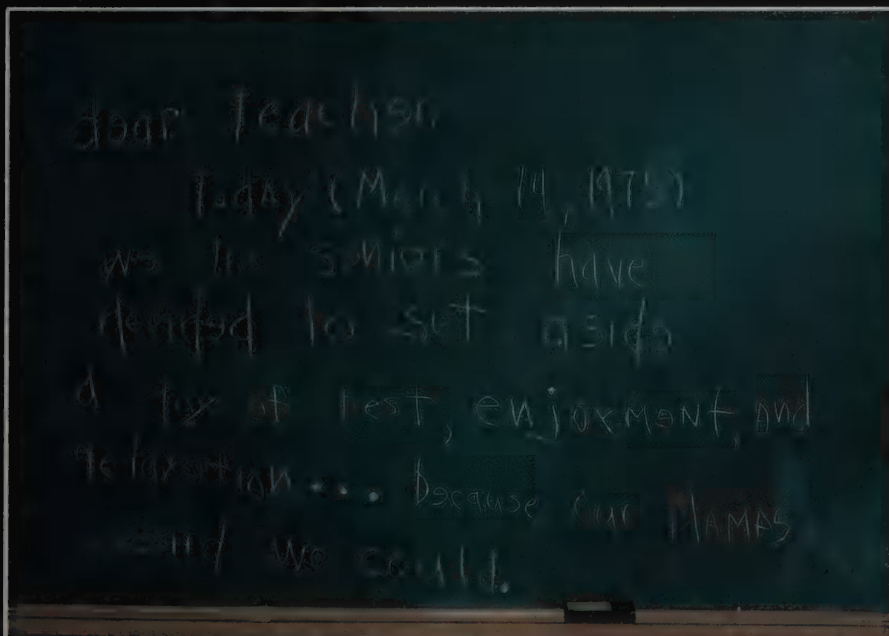

A Time . . .

. . . to Express

We went all the way from high waist baggies to Levi Strauss, from lunchroom food to sneak out attacks on Jack-in-the-Box. We tolerated the "yippee" panoramic senior pictures to the \$7,000 candle idea. Yes, with baggy overalls and sticky "Life Saver Suckers" we came to the time of expression . . . 1975.

A Time . . .

. . . for Recognition

When we think of time our thoughts are centered on the rhythmically ticking sound of a clock as it moves forward changing in one direction. There is another type of time, it is dedication. The hours of work given freely to others for their benefit. This time is measured in quality not minutes. The Torch Staff would like to dedicate the 1975 yearbook to a person of commitment to Samuell in sponsoring the school newspaper, senior pub, and the annual staff. She has not only been an excellent teacher but a friend to both faculty and student body. With thanks and appreciation we dedicate the 1975 Torch to Mrs. Linda Akins.

A Time for . . .

. . . Administration

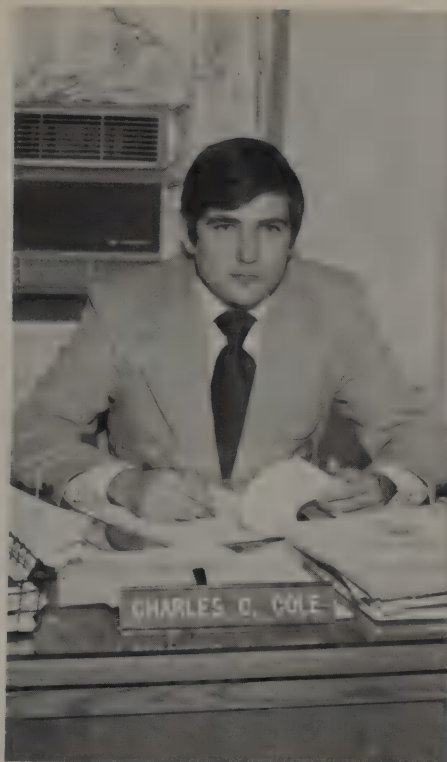

Robert Stokes Principal

"As we think back over 1974-75, we can all be proud of the accomplishments of the Spartans. You who are graduating have made Samuell a better school. We who remain know that our diploma is a little better because of the things you have done. We pledge to you that we will continue the tradition of honor, pride, and loyalty which you upheld so well. To each of you, sophomores, juniors, and seniors, I wish to express my appreciation for a good year. Most new high school principals have difficult positions, but you have made my first year a joy. In return, I promise that you will always have reason to be proud of your school. I hope that the things we have tried to teach you — honesty, love of country, willingness to work, and the desire for knowledge — will continue with you always."

Owls Claw Spartans

Opening their new stadium in style, the Garland Owls whipped Samuell's Spartans 27-0. Although the Owls, led by their fine tailback Randy Love, beat the Spartans convincingly, the game was much closer than the score indicated.

The Spartans played tough, hard hitting football, forcing four Owl starters to the sidelines.

Particularly outstanding for the Spartans were linebackers Jimmy Abbott, backs Ronald Banks and Dale Tillery, and lineman Phillip Timpa.

The Garland game gave a crunching indication that the Spartans were on their way back.

Samuell Flexes Muscles in Skeeter Tie

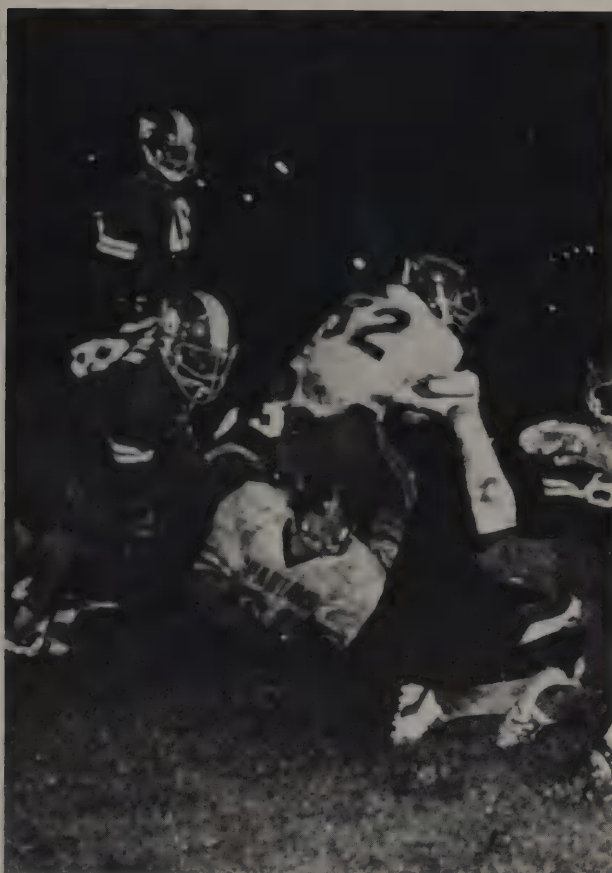

Led by outstanding senior tailback Phillip Moore and a crunching defense, the Spartans generated their first excitement in two years, tying the Mesquite Skeeters 6-6.

Although the Skeeters were highly favored coming in, Samuell played them on even terms. Except for a controversial call on a safety which was called back, the game was played on even terms. Even in tying though the Spartans gained a moral victory.

W. W. Samuell Drowns Lincoln in Mud Bath

Mud, rain, and a Spartan victory were the order of the night as Samuell beat the Lincoln Tigers, 16 to 12. Spartan fever began to brew among the student body and players alike, as the Spartans won their first game in two years.

The Samuell warriors wore their mud-covered uniforms like symbols of their hard-fought victory. The Spartan victory once again was keyed by outstanding defense. Standout players in the game were lineman Angelo Macaluso, back Dale Tillery, and Captain Jimmy Abbott. Punter Charles Owens was named outstanding player for the game.

Woodrow Trips WWS

Costly turnovers and a stingy Wilson defense combined to hand Samuell its first district loss, 7 to 0. From an execution standpoint the game could best have been described as sloppy. The Spartans matched their first down total of 4 with an equal amount of fumbles.

Defensive back Dale Tillery and lineman Phillip Timpa stood out.

Horns Stampede

Did anyone get the license number of that truck?

W. T. White Longhorns scored on their first three possessions and rolled over the Samuell Spartans, 42 to 0.

The overwhelming victory jet propelled White into the district 11-AAAA driver's seat.

White came into the game with a football coach's best friend on their side, momentum. Samuell, on the other hand, was flat.

The defeat knocked the Spartans out of the district race.

Samuell Slumps

Samuell scored first but Hillcrest came out on top in this district clash, 20 to 7.

Senior quarterback Donnie Smith ran for an early Spartan score on a keeper. The touchdown was set up by a 40 yard Victor Johnson run.

The Panthers dominated the second half, through holding the Spartan offense to three first downs.

The Hillcrest game did nothing to shake the Spartans out of their doldrums as they dropped the third straight game.

Skyline Wins in Squeaker

A fumble recovery by Angelo Macaluso set up Samuell's only score on a six yard run by Donnie Smith as the Spartans went down in defeat to the Skyline Raiders. The final score was 14 to 6.

Although senior Victor Johnson turned in another fine performance at tailback, Samuell was hurt by the loss of top back Philip Moore.

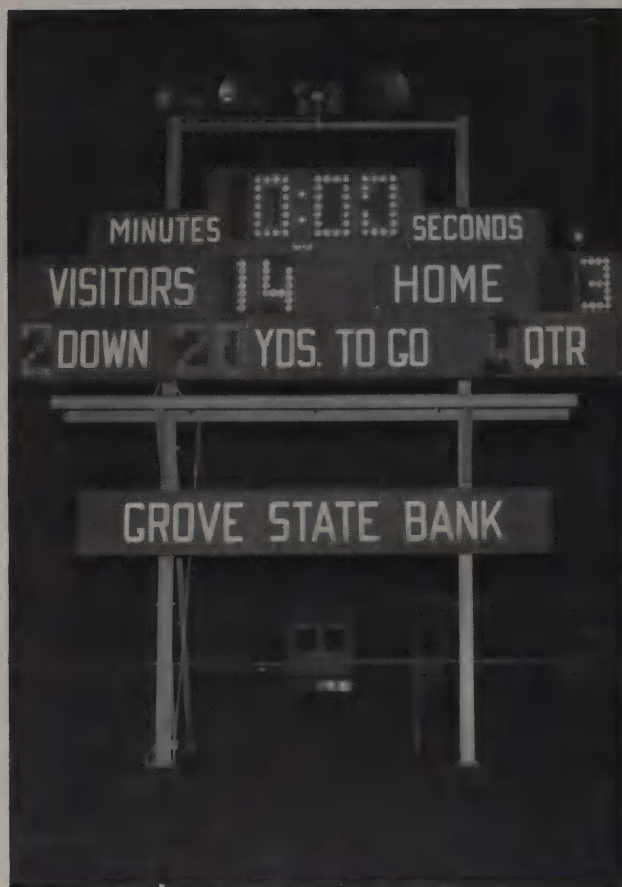

There were bright spots in defeat. Along with defensive end Macaluso, linebacker Jimmy Abbott had a fine game solidifying his bid for all-district-honors on defense. Offensively, guard Mike Hunt and back Buddy Fuller had outstanding games.

Pats Clip WWS

A late Thomas Jefferson touchdown, on a fourth down sweep around left end, lifted the Pats over the Spartans, 17 to 13.

Samuell jumped to an early lead after a Dale Tillery interception set up a one yard scoring plunge by Roger Owens. Unfortunately, Samuell failed to hold on.

Cedrick, Spartans Capture Cougars

Cedrick Harrison's game-breaking interception return for a touchdown sparked Samuell to a 14 to 3 victory over the Bryan Adams Cougars.

The Homecoming Victory broke a five game Spartan losing streak.

A rubber band defense that bent and bent but never broke, was the key to the victory.

Besides Harrison's big play the Spartan's other touchdown came on a one yard plunge by quarterback Donnie Smith.

Spruce Pass Ends Season

In a marathon defensive battle, Samuell came out on the short end of a 7 to 0 score as they dropped their final game to the arch-rival Spruce Apaches.

The two teams battled up and down the field for three quarters but neither team could puncture the goal line. The Spartans, particularly, had excellent scoring opportunities, but to no avail.

Then, midway through the second half, Spruce quarterback Tinker Stewart faded back and found split end Joe Wright open in the flat. Wright shot through the Spartan secondary 46 yards for the game's only score.

The defeat marked the second time in history Spruce has defeated Samuell.

With the format of a six-man team half-court, the girl cagers ended their season with a 7-15 record.

One highlight of the season was a 50-44 win over the favored W. T. White Longhorns in the Dr. Pepper Tournament. The team gained recognition when Judy Carroll scored 39 points in the game to be placed on the Dr. Pepper All Tournament Team.

Another highlight of the season was when the team played the Longhorns again and defeated them 45-44 on a last second free throw. The only disappointment the girls really experienced was a 3 point controversial loss to Hillcrest.

All girls on the team earned a letter jacket.

Working to gain something and enjoying the work is what Jerry Reynolds has done this year at Samuell. He has played a major role as student body president and was reasonably chosen as the most dependable boy of the 1975 class.

KIM ERNST

With pen in hand and deadlines to meet Kim Ernst has contributed greatly in serving as editor of the Sentinel. Her editorials and articles in the newspaper were excellent and showed her intelligent writing talent as a journalist.

TYRA JOHNSON

"Tyra is a very serious minded individual" said Mrs. Carla Fahey as she began to explain how Tyra greatly excelled in her work for Samuell. She participated in the Starlets, serving on council.

PAM TOWNSEND

In running back the hands of time we will remember the outstanding achievements of Pam Townsend. She was a member of the 74-75 Starlets and served as one of the secretaries of the Concert Choir.

DONNA WILKINSON

Having an active part in school is very important to Donna Wilkinson. She has given much to the largest organization of Samuell by serving as a senior board on the Blue Jack-ets.

LISA DONALDSON

Lisa has shown that she is a talented writer through her original poetry published in numerous periodicals. She was also nominated for the achievement awards of the National Council of Teachers of English.

Superlatives

75

SUSAN HODGES

Being active both at school and in her community was a very time consuming job for Susan Hodges. She was said to be a "do more than you have to person" which really made Susan a great asset as she served as vice-president of the student council and member of the Starlet drill team.

BOBBY ROSEMAN

"Hey you know what? Oh never mind" was a very popular phrase with senior Bobby Roseman. Though he never seemed to "know what," he was a vivacious guy with an abundance of talent in anything he did.

JERRY McPHERSON

Samuell's own "Mr. Guitar" was Jerry McPherson. Jerry played lead guitar for the Spartan stage band and accompanied many outside singing groups in our area.

JIMMY LILE

The stage was the place of action for Jimmy Lile in the 1975 year. Along with playing the major role in this year's musical he also held leading roles in numerous plays presented by the drama department.

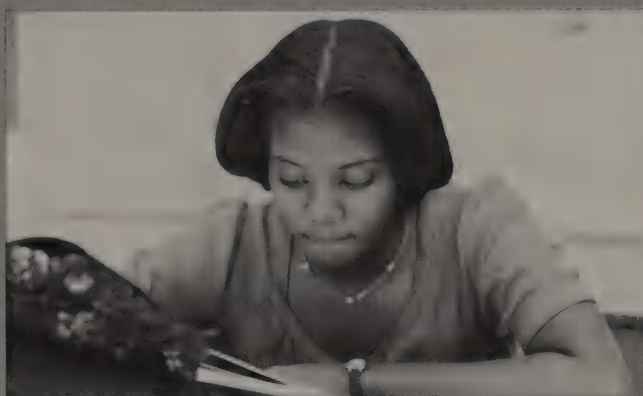

LIZ CREWS

Being high in her academic studies, intently involved in the school's drama department, and leading one of the major organizations was time-consuming for Liz Crews. But even though her moments were under tight schedules, Liz always stopped the hands of her time for a friend.

RANDY INGRAM

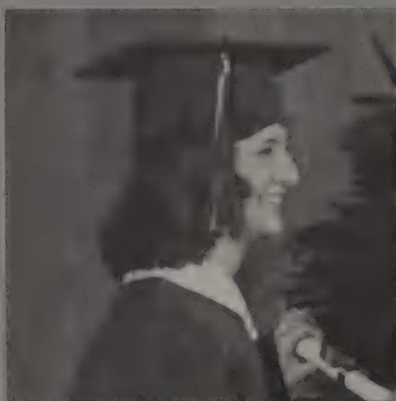

An abundance of ambition has helped Randy Ingram excel in all phases of life. His activities vary from music to drama to NHS to church youth groups. Randy's efforts promise success in all future endeavors.

JUDY CARROLL

Taking it easy, taking it as it comes, and taking it sincerely was the way of Judy Carroll. She has been involved in the girls' sports program being captain of the track team and a valuable player in basketball.

Superlatives '75

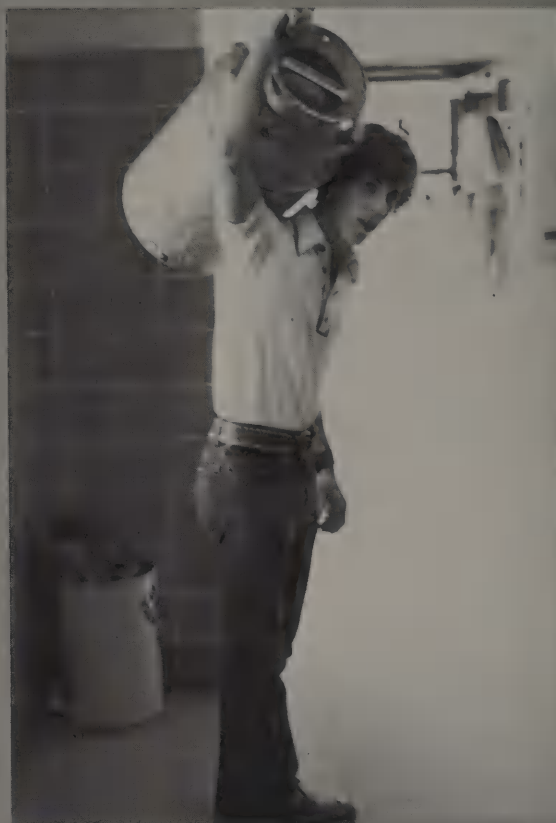

BRENDA COOK

"A gift of friendship" and "a deep concern for others" are phrases which describe Brenda Cook. Through her various musical interests Brenda naturally affects her peers and repays her influence with loyalty and service.

DEBBIE CORTINAS

Debbie's school pride was evident by her contributions to the principal's advisory committee. She also worked hard to bring harmony among the races at W. W. Samuell.

MIKE BISHOP

As Senior Class president Mike Bishop has exerted his leadership qualities in many constructive ways. In drama, choir, athletics, and scholarship. Mike maintains a level of excellence to guide and inspire others.

TINA PENDLETON

Immensely involved in the athletic department of Samuell is Tina Pendleton. Along with being one of the outstanding high school tennis players in the city, Tina is dedicated to her school, to her community, and especially to beliefs.

DONNIE ANDERSON

Taking time for others is a natural act for Donnie Anderson. Samuell will always remember him for being there helping out, not only in front but as well as behind the scenes.

SHARON HARRIS

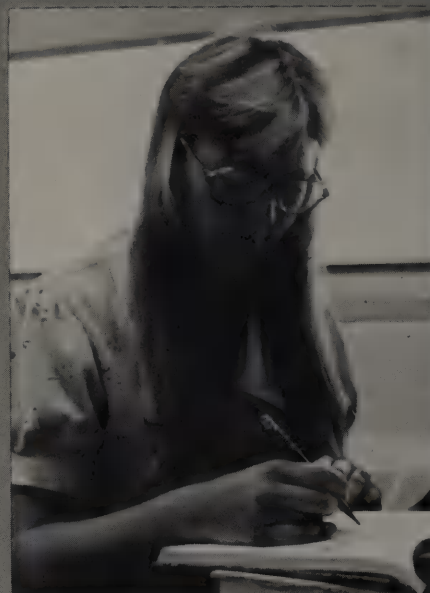

Impressive is the hard work Sharon Harris has done in order to contribute to the betterment of Samuell. Sharon was very involved in the Starlets and has shown dedication as a member of the Torch Staff and editor of the Senior Pub.

Superlatives '75

TONI BRYANT

Toni has served on numerous committees for the development of our school. She was a member of the Steering Committee, Principal's Advisory Committee, and Tri Ethnic Committee. Toni was very active in recruiting minority participation in the school affairs.

CANDY CRANNELL

Candy loved school . . . or that was the idea she had given to both faculty and student body. Her interest in the drill team activities were overwhelming and even though Candy was a graduating senior she still cared.

GARY KRONE

Achieving the rank of Cadet Colonel and Cadet Battalion Commander of the ROTC, Gary Krone advanced quickly in the corps. He was Samuel's first member of the All City Rifle Team and was a superior cadet receiving the army's superior cadet medal for the past three years.

GEORGE SNEED

In being an active member of the ROTC, George Sneed, has held the position of battalion executive officer and the rank of lieutenant Colonel. The most impressive of George's achievements is his involvement in promoting race relationships and setting a high example for others.

ELAINE HART

A yearbook editor must write, type, crop, count, and counsel — all with a grin. A quick wit coupled with a deep concern for Samuell helped Elaine Hart endure editorship of the Torch, VP of Blue Jackets, and countless other responsibilities — and still come out smiling. Voted "Most Humorous" by her Senior Class, Elaine earned not only their attention but their appreciation and affection.

RANDY ROGAN

Music is the main word in the life of Randy Rogan. He has been assistant drum major for the Spartan Band and also a member of the Samuell Stage band. Randy has really shown his feelings in the fine arts department this year by earnestly taking part in the musical and other activities.

"Let the Army help you with college."

Last year, 90,000 young people like yourself earned college credits in the Army.

They attended classes on post. They studied at nearby colleges and universities. And they took courses through various correspondence programs. And the Army paid for up to 75% of their tuition costs.

And after your enlistment's over, you're entitled to 36 months

financial assistance at colleges throughout the country.

Our educational benefits are in addition to the job training you'll receive, the salary you'll earn, and the travel opportunities you'll have.

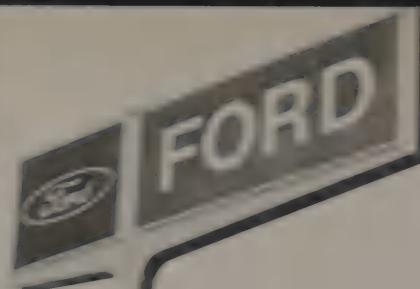

If you'd like to find out more about all the educational benefits the Army has to offer, see or call your local Army Representative.

Call me. Army Sgt. Ray Goodwin

With the selection of TIME as the theme of the 1975 Torch the annual staff did everything imaginable with TIME except have it! Now that we have dummied the last page, cropped the last picture, and written the last copy we would like to take this space to thank those who have made the 1975 Torch possible.

Mr. Robert Stokes, principal,
for his constant,
unfaltering support.

Mr. Acie Mitchell, Taylor
Publishing Company, for
his professional
knowledge and for his
very special friendship.

Melinda Ferguson, staff member,
for her extra efforts on
the cover design.

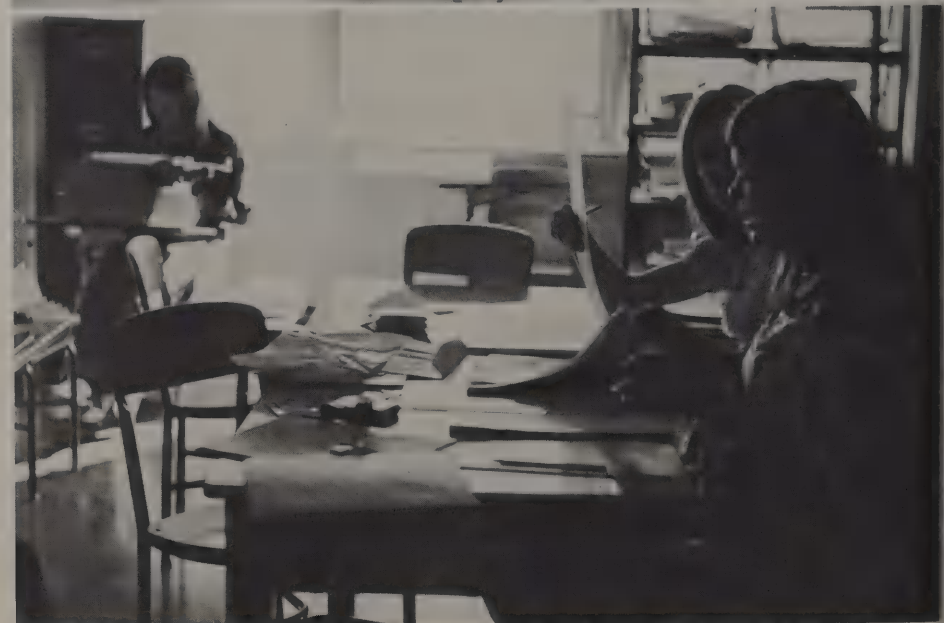

Dennis Howe for his work and
dedication even though
he was not officially
on the yearbook staff.

Mrs. Clanton, principal's
secretary, for her
secretarial help.

Mrs. Hughes, principal's
office, for handling
financial matters.

Mrs. Morgan, teacher aide,
for her "emergency"
typing.

Mr. Charles Cole, assistant
principal, for his special
interest in our photography
needs.

"Thanks" from the TORCH STAFF

Samuell's Homebound
Student
Debbie Pontley

This year was a special one for Debbie Pontley. It was her year of graduation and a year of her growing in faith. For those who know Debbie realize the experiences she has gone through this year. Having an illness that makes one unable to attend school could get a lot of people down but with Debbie it was essential that she keep her head up and continue on. Debbie will bluntly tell you that she has never been alone. Debbie is a wonderful Christian and a natural witness 24 hours a day.

. . . A Time to End.

Faith in yourself. This, too, is of utmost importance. For it is doubtful that you can succeed if you don't believe you can. But, if you have faith that you can, then you will find a way. And the whole world can't stop you.

Donald E. Wildmon
